Omni A1 Amplifier

High Performance Wireless Amplifier. Your old speaker's new best friend.

A great sounding pair of loudspeakers never goes out of style, especially in a digital world. The Omni A1 enables you to stream Polk's widely regarded signature sound wirelessly to your existing component loudspeakers. It's that simple. The Omni A1 wireless amplifier includes customized EQ settings for optimizing the performance with Polk speakers, and has a peak power rating of 75 W x 2 channels. Music lovers and vinyl collectors will enjoy the fact that the Omni A1 also includes a phono input for their turntable.

Omni: The First Great-Sounding Wireless Music System

All the music you love, anywhere in your home

The Omni A1 is part of the Omni Collection, a series of wireless products that allow you to control what you want to listen to from your phone, tablet or computer and stream it wirelessly to any room. Plus, you can start with one and then add throughout your home.

Love Out Loud

Equipped with Polk's widely respected signature sound and a simple setup, you're ready to listen to your favorite music right out of the box.

Polk Omni Apps

The free Polk Omni App allows you to mix-and-match speakers with the open DTS Play-Fi™ Technology and future-proof your home music solution. Stream the same music to every room or stream different songs to different rooms. The Polk Omni Utility App gives you extended functionality, including product firmware updates, source selection (if applicable) and EQ settings for the A1 Amp.
